That is a long list!

Don't take my word for it

"As a small business owner I can honestly say being a member has increased the amount of traffic to my studio. All of the Chamber folks are responsive, kind and professional. They go out of their way to provide any assistance that might be needed and then some. They are truly a community organization!"

Rebecca Emery
Owner/Operator

"Initially I joined the chamber to get a discount on my oil bill. I now heat with natural gas so this is no longer a benefit. Once I joined I had exposure for my business and have received some new business from people seeing me listed in the directory. My business is now at a stage where I no longer need this exposure but I continue to be a member because I believe a strong chamber is vital for a thriving community."

John Paul LaLonde

"The fantastic work of Leslie and Alecia! Your devotion to keeping us connected with and to the Bucksport Area is inestimable. By keeping us in the loop we are able to give our guest more options of things to do and reasons to stay in the area longer."

- **Member Directories** – Our directories are on-line and in the back of the annual visitor’s guide.
- **We pick you** – When the chamber has a need we use our members. If two or more members can provide what we need, we take turns. This keeps things fair and gives us firsthand experience to pass on to those that inquire about you.

GET YOURSELF OUT THERE

- **Chamber Events** – Promotional, sponsorship and publicity opportunities are available for your business by participating in one of the many high profile events hosted by the Chamber as well as Chamber publications. Discounted vendor space is available at The Bucksport Bay Festival and Ghostport. Sponsorship opportunities provide excellent exposure and goodwill in our region

- **Business F.U.N. Events** – Showcase your business and your team! We send evites, create an event on Facebook, greet incoming guests and help them with their name tag and you provide the refreshments and if you like, prizes. It’s a terrific opportunity to meet fellow business owners, network and mingle whether you host or attend. (Fun Useful Networking)
- **Business Buzz** – Creating the BUZZ about our members. The featured business of the month will be showcased on our website, newsletter and social media. This is the chance to really tell your story. At the end of the month, we will co-host the event of your choice. This is a fun and engaging way to connect the community to your business.
